

Executive Presence System - Intensive Certification Training and Coaching Program

September 03, 2015

September 03, 2015 - PRESSADVANTAGE -

Corporate Class Inc. is pleased to announce registration is now open for the Executive Presence System Certification Training Program, October 26-30, 2015, in Toronto, Canada.

Developed by company president and founder, Diane Craig, the Executive Presence System is globally recognized as the universal gold standard for leadership coaching and corporate executive training. Its hallmark is empowering leaders at every level ? from C-suite to New Professional ? to reach the next level.

Creator of the world?s first Executive Presence System, Diane Craig is an internationally renowned expert on leadership presence and training within the global corporate sector.

Since 1981, Diane has served as an executive presence coach and advisor to: Fortune 500 companies; corporations and institutions across all industries; government agencies; universities and colleges; politicians, celebrities and private individuals.

?We empower aspiring women and men to establish their own personal Executive Presence imprint. Our

emphasis on defining and refining personal leadership strengths leads to the development of truly authentic Executive Presence," stated Ms. Craig.

A short list of Diane's celebrated corporate clientele includes: Deloitte, Ernst & Young, General Motors, KPMG, HP Software, Royal Caribbean Cruises Limited, Xerox.

Complete client list can be viewed here:

Toronto Certification Training Program

This 5-Day Intensive is for professionals eager to open doors to the profitable world of corporate training. It's designed for entrepreneurs: image consultants (including AICI Members), personal development coaches, HR specialists and private consultants. The Executive Presence System Certification Program includes the entire toolbox of training materials from comprehensive presentations to trainer manuals and workbooks.

Limited-size group workshops coupled with personal hands-on training ensure program participants develop the skills to achieve immediate recognition and profitability.

International Certification ensures program participants receive the credentials required to become more relevant to corporate clients, to attract new clients, to broaden their income base and bottom-line, to grow a business.

Meet Diane Craig, President and Founder, Corporate Class Inc.

Internationally renowned for creating the first and only Executive Presence System to advance an authentic presence, Corporate Image Management Expert, Personal coach to international C-Suite Executives and Senior Leaders including G20 Summit guests and Royal families.

Awards:

Woman of Inspiration Award - Canadian Living Magazine and Avon Canada, Meritorious Service Medal - Governor General of Canada, Business person of the Year - National Canadian Capital Chamber of Commerce, Toastmasters International Communication Leadership Award
