

Marketing Company Veterinary Snapshot Report On Online Reputation

May 27, 2016

An advertisement for Dr. Miinala Marketing. The top left features the company logo in green, which includes a black graduation cap with a yellow tassel. Below the logo is the text "DR. MIINALA MARKETING" in a large, green, serif font, and "Solutions For Maximizing Your Marketing Potential" in a smaller, black, sans-serif font. To the right of the logo is a photograph of a baby in a white lab coat, holding a stethoscope and examining a small, orange tabby kitten. The kitten is standing on its hind legs. Below the logo and photo, the text "STAY CONNECTED" is written in large, bold letters, with "STAY" in black and "CONNECTED" in blue. Underneath this, it says "Checkout a new Veterinary Business Snapshot Report On Online Reputation" in black. A blue button with white text says "Learn more". At the bottom left, the website address "www.drmiinalamarketing.com" is written in green. The background of the advertisement is white with faint grey lines forming a grid.

Dr. Miinala Marketing has announced that they are now offering free snapshot reports for Veterinary Physician. In these reports the online marketing company provides information related to the reputation of the veterinarian. A spokesperson for the company says, "Our goal is to give you a peek into what your business looks like online and how customers may be seeing you."

The company states that they can help veterinary physician to determine whether or not their business listing is accurate, what specific sites their vet clinic should be listed on, and how their veterinary businesses compares with industry standards. They say that their report will also help businesses to determine whether or not their social media accounts are effective and if not, the company can help the vet effectively reach people through Facebook, Twitter, and other social media accounts. "You just have to input your business data and you will get the information you need to step up your marketing strategies," the company spokesperson says.

The report can be accessed at <http://drmiinalamarketing.com/free-reports/>, and the company says that those interested will receive the information that they need to reach more local clients.

Dr. Miinala Marketing includes a staff of marketing experts, SEO specialists, graphic designers, and developers that work one on one with businesses to help them increase their marketing effectiveness. The company states that every system they use goes through rigorous testing to ensure that it will ultimately help their customers to grow their businesses. More about the company can be seen on their Facebook page at <https://www.facebook.com/Dr-Miinala-Marketing-1501924106775770/?fref=ts>.

The company spokesperson states that the free report is now available to veterinary physician, no matter where they may be located, and that it can help vet to determine if their chosen local advertising is working and how to improve and increase their overall reputation, which could ultimately lead to a higher number of clients.
