

Marketing Company Veterinary Snapshot Report On Online Reputation

May 27, 2016

The advertisement features a central image of a baby dressed as a doctor in a white lab coat, holding a stethoscope and examining a small orange tabby kitten. The kitten is standing on its hind legs, reaching up towards the baby's hands. The background is plain white. In the top left corner, there is a logo for 'DR. MIINALA MARKETING' in green, with a black graduation cap icon above the word 'MARKETING'. Below the logo is the tagline 'Solutions For Maximizing Your Marketing Potential'. The main text 'STAY CONNECTED' is displayed in large, bold letters, with 'STAY' in black and 'CONNECTED' in blue. Below this, a smaller line of text reads 'Checkout a new Veterinary Business Snapshot Report On Online Reputation'. A blue button with white text says 'Learn more'. At the bottom left, the website address 'www.drmiinalamarketing.com' is written in green. The entire advertisement is framed by a thin grey border with diagonal lines in the corners.

Dr. Miinala Marketing has announced that they are now offering free snapshot reports for Veterinary Physician. In these reports the online marketing company provides information related to the reputation of the veterinarian. A spokesperson for the company says, "Our goal is to give you a peek into what your business looks like online and how customers may be seeing you."

The company states that they can help veterinary physician to determine whether or not their business listing is accurate, what specific sites their vet clinic should be listed on, and how their veterinary businesses compares with industry standards. They say that their report will also help businesses to determine whether or not their social media accounts are effective and if not, the company can help the vet effectively reach people through Facebook, Twitter, and other social media accounts. "You just have to input your business data and you will get the information you need to step up your marketing strategies," the company spokesperson says.

The report can be accessed at <http://drmiinalamarketing.com/free-reports/>, and the company says that those interested will receive the information that they need to reach more local clients.

Dr. Miinala Marketing includes a staff of marketing experts, SEO specialists, graphic designers, and developers that work one on one with businesses to help them increase their marketing effectiveness. The company states that every system they use goes through rigorous testing to ensure that it will ultimately help their customers to grow their businesses. More about the company can be seen on their Facebook page at <https://www.facebook.com/Dr-Miinala-Marketing-1501924106775770/?fref=ts>.

The company spokesperson states that the free report is now available to veterinary physician, no matter where they may be located, and that it can help vet to determine if their chosen local advertising is working and how to improve and increase their overall reputation, which could ultimately lead to a higher number of clients.
