The Law Offices of Kevin Cortright, a firm based in Palm Springs and Murrieta, CA, and offers bankruptcy legal services among others, has announced that they have joined the online attorney directory, Inlandempirelawyers.com. In a recent statement, Kevin Cortright said, "We have been added to the attorney directory as a provider of legal services for bankruptcy, worker's compensation, and personal injury."

The Palm Springs bankruptcy attorney pointed out that clients will now be able to go the directory site and find information about the firm, including contact information, a list of specialties, and a map to the firm's location. Atty. Kevin Cortright is listed in the directory as one of the Inland Empire bankruptcy lawyers. He can handle personal bankruptcy filings, both for Chapter 7 and Chapter 13, for the Riverside and San Bernardino Counties.

The online directory offers listings for attorneys serving the Inland Empire region in California and specializing in a variety of legal issues. Aside from bankruptcy, the law firm founded by Kevin Cortright in 2009 handles cases with regards to job accidents, workplace injuries, dangerous working conditions, and various workplace medical issues such as carpal tunnel syndrome, and other overexertion complaints.

"It's a great way for consumers to find an attorney who specializes in the areas that they need legal representation in," said Cortright. "Our firm is listed, and there is information that potential clients will find helpful under the bio, such as our years of experience, that can help them to make an informed decision about the attorney that they need to handle their case."

Atty. Kevin Cortright obtained a BA degree from the University of Phoenix in 1996 and a JD degree from the University of La Verne in 2005. He was admitted to the State Bar of California in 2005. His firm has received several awards, including the Client Distinction Award; Martindale-Hubbell for 2012, 2013 and 2014. Since the firm was established, they have handled more than a thousand cases.

Those who are interested can visit the attorney on the firm's official website or visit the directory online to learn more about the attorneys that are listed. The initial consultation is provided without charge.
