

Dr. Miinala Marketing Announces Snapshot Report Of Online Reputation For Divorce Attorney

October 11, 2016

Dr. Miinala Marketing has announced that they are now offering free online reputation snapshot reports for a divorce attorney. The company focuses specifically on providing people information on how to increase website traffic, often focusing on specific industries. The snapshot is designed to show how divorce attorney are faring when it comes to their reputation on the internet so that they can do something about it if it comes out to be less than stellar., as can be seen on Dr. Miinala Marketing's Facebook page at <https://www.facebook.com/drmiinalamarketing/>.

"You have to know how people see you; what they think of your business," says a spokesperson for the company. "To this end, we've decided to offer a free report of your business reputation, which will enable you to improve on your marketing tactics as needed, which is why our current focus is specific to a Divorce Attorney."

The company states that online reputation is crucial, even for businesses without an online presence. Studies show that more than half of the adult population of the world now have smartphones, and of those, nearly 95 percent use their smartphones or another digital device to research places of business. This is particularly true, the company says, of divorce attorneys. The report offer can be seen at <http://drmiinalamarketing.com/free-reports/>.

"A divorce is a very tedious, very intricate thing," says the company spokesperson. "You certainly don't take your divorce to just any attorneys, which is exactly why divorce lawyers have to ensure that their online reputation is positive. Otherwise, they are losing potential business."

The staff at Dr. Miinala Marketing are highly experienced in the field of digital marketing. As their LinkedIn profile at <https://www.linkedin.com/company/dr--miinala-marketing> demonstrates, they specialize in serving local businesses, especially divorce attorneys, in their online and mobile marketing needs. The marketing and advertising company were launched in 2015 and now has more than 10 employees in the team to provide the necessary support to clients. Dr. Marjukka Miinala, the founder, and the owner has authored a number of important articles and texts on online marketing.
