October 24, 2016 - PRESSADVANTAGE -

Roofing Longview opened its business 5 decades ago and is still operating today. The firm has been providing quality roofing products and services in the Longview area to a loyal customer base.

Longview TX: Roofing Longview TX and James Gordy are pleased to announce that they are celebrating their fifth decade in business in the area. The company offers a full spectrum of services related to roofing throughout Greater Longview. The services include residential and commercial roofing repair, replacements, insurance claims and damage from hail or storms. The company also performs new installation, gutters and siding installations. Free inspections are performed at no obligation to the home or business owner.

The firm is noted as the best roofing company Longview TX offers for many reasons. The long fifty-year history is one of the oldest contractors in the entire East Texas area. The workmanship guarantee extends for up to a quarter-century. In addition, there are extensive product warranties available for protection against material defects. Customer reviews for several decades are overwhelmingly positive, demonstrating a level of

trust which has developed over the years.

As an active member of the community, the firm is involved in the Chamber of Commerce, the Better Business Bureau and Locals Love Us. Their competitive pricing makes the roofing services affordable for customers. The available product lines are the high-quality cutting-edge brands including Timberline, Royal Sovereign, Certainteed, and GAF, as well as others. The company is fully insured for the protection and peace-of-mind of customers and employees.

According to a spokesperson for the firm, "Our highly qualified professional sales staff is knowledgeable and provides a comprehensive and educational presentation to potential customers. We are Master Certified Elite by the NRCA, making us among the top three percent of North American Roofing Contractors. We have a passion for providing roofing which will turn your home into a work of art. A consultation can be scheduled to give potential clients the opportunity to learn more about us, as well as for us to describe the ways in which we can add to the curb appeal of your home or business."
