With the holiday season here, people are looking for original and inspirational gifts for their loved ones. It is therefore timely that Cheyenne, WY business Baubelle has recently announced the addition of another bracelet to their collection of jewelry, which is the Be Thankful bracelet. This new bracelet joins their previous models, namely the "She Believed She Could So She Did" and the "Love the Life You Live" bracelets.

"Our new Be Thankful Bracelet is the third one in our collection of inspirational bracelets for women," says Sarah Evren from Baubelle. "It has been designed to be a fashion statement, in a unique and stylish way, while at the same time empowering women to feel strong and resilient."

All Baubelle bracelets are plated in genuine 18K gold, rose gold, or white gold. The plating is of high quality so that the bracelet will neither rust nor tarnish. Additionally, as a hypoallergenic material, it is perfect for people with sensitive skin and will cause no itchiness, irritation, or discoloration of the skin. This makes it the perfect gift for women who suffer from metal allergies.

As a stackable and expandable bracelet, the Be Thankful bracelet is considered to be perfect for older teens

and women alike. Many have chosen to purchase all models of the bracelets, creating a beautiful gift for someone special. Each bracelet is presented in the signature Baubelle box, which is a turquoise and gold slide out box with a shimmery fabric pull tab.

Baubelle guarantees the quality of their product, which is why they offer a 100% money back guarantee, no questions asked, for 365 days. This guarantee extends both to the person purchasing the bracelet, and the person receiving it as a gift. "What we aimed to do is create something that allows women to own a piece of jewelry that is of the quality of fine jewelry pieces, without the usually high price tag," adds Sarah Evren. "We believe strongly that we have achieved that, which is why we offer a full money back guarantee."

All Baubelle pieces of fashion jewelry are currently available exclusively on Amazon.com, where they have already received numerous positive reviews from happy customers.
