

Tidom Private Label Launches New Program for Member Daily Success Calls

December 09, 2016

San Diego, California, December 9th, 2016 - 8 Figure Dream Lifestyle is a private label business approved by Tidom, Inc. and launched by 3 of the top Tidom sales earners. This Tidom subsidiary brand is now offering new, improved Daily Success Calls to all of their members. These calls are each 30 minutes long, and are taught by VIP team leaders who are all earning \$30k/month or more. In each call they share their secrets to personal success, including mindset and communication training, marketing tactics, and the digital resources that have helped them the most.

Tidom reviews on the call program have so far shown "Tremendous positive feedback", says leader Aniko Giampietro. "To be able to receive mentorship, coaching, and motivation from those in our system is priceless!" Giampietro and other VIPs encourage members to utilize these daily calls for their own success. Sharing of information and strategies for success is central to the concept of this Tidom private label model.

Tidom, Inc. and 8 Figure Dream Lifestyle Explained: These are internet based, franchise-like, "business in a box" models. Members are granted access to digital resources as well as individual coaching and support from the entire community. Training modules and materials provide information on generating web traffic, acquiring leads, the law of attraction, personal development, and digital marketing. The ability to generate executive level income is achieved by selling one of 5 available packages; multiple product packages allow members to purchase the one that best suits their needs.
