

# Store Launch Announced by ASAPSKINNY

*January 03, 2017*

January 03, 2017 - PRESSADVANTAGE -

ASAPSKINNY TEATOX is a new product released by the company of ASAPSKINNY. Obesity is a major problem for adults in the United States.

Santa Fe NM: ASAPSKINNY is pleased to announce the launch of its company featuring Detox Tea. The American-based firm has a simple mission, They want to help customers achieve health and fitness goals as safely as possible. The herbal blends which they product are designed to help the body enjoy all the healthful benefits from within. The tea products are safe to use as well as effective. There are no harsh chemicals or ingredients included in the list of components for the Flat Tummy Tea.

In addition to the tea designed to detoxify, ASAPSKINNY Skinny Tea is produced in a different way. Only safe ingredients are used in creating the tea. There are no harsh laxatives such as Senna used. Only all-natural herbal ingredients in their purest state are used. There are no chemicals, flavorings, fake sugars and no preservatives. The highest quality of ingredients is used in the formulations.

According to a spokesperson for the company, "If you are curious about the ingredients in our detoxing tea, we offer a complete and open list. Our Detox Tea herbal blends have been carefully chosen and arranged, based on extensive health benefits. We offer 14-Day Teatox and 28-Day Teatox. The Morning Boost blend contains a small amount of natural caffeine to stimulate the body and speed up the metabolism. The Evening Detox is free of caffeine and full of calming and soothing herbs. It will help you to relax and sleep well. Combined together, we have over 358,000 loyal followers on our social accounts. Because our skinny teatox is so unique on its taste and most of all effective, we have over 86% rate of repeat customers. This shows us we are doing something right and makes us very proud."

ASAPSKINNY Tea Review says that Morning Boost consists of Oolong, Green Tea, Rooibos, Goji berries, Yerba mate, Ginger, Osmanthus, Mint and Rose. The Evening Detox contains no caffeine and features Honeybush, Lotus Leaf, Cinnamon, Lemongrass, Goji Berries, Jasmine, Dandelion Root, Ginger, Lavender and Forget-me-not flowers. The teatox blends are gluten-free, sugar-free and chemical free. By drinking it daily, the company says that customers can help boost metabolism, burn fat, lower cholesterol and be less

likely to reach for calorie-filled snacks.
