January 08, 2017

[Best Seller Publishing](#) announces the release of Toyin Abiola's new book [The ABC's of a Beautiful Marriage: A Guide to Loving Your Spouse Above Your Marital Struggles](#). It will be available for free download in the Amazon Kindle Store on January 9th.

The ABC's of a Beautiful Marriage is a book dedicated to giving transformational teachings to couples who are struggling with different marital problems and are thinking of ending their marriages. It teaches couples how to raise and honor their love above their problems and work together as a team to get rid of the problem.

The author Toyin Abiola wants couples to understand that any marriage can work, regardless of circumstance. She states that God did not create marriage with problems, the world created the problems every married couple is facing. She adds, "It is time to shed away from worldly standards and choose the standard of the Kingdom of God and that standard is Pure Love. Let's bring Heaven down into our homes."

The ABC's of a Beautiful Marriage will expose the transformational truth, Abiola says. All one has to do is apply it and watch the tremendous change in their marriage.

The ABC's of a Beautiful Marriage by Toyin Abiola will be free and available for download on Amazon for 5 days (01/09/2017 – 01/13/2017) at: <https://www.amazon.com/dp/B01N5JMH2X>. The ABC's of a Beautiful Marriage has a 4.9-star rating on Amazon.com. Here's what some people are saying:

"A powerful book, written by someone who clearly has expert knowledge on the subject of marriage. The overall lesson in the book is that no matter what problems a couple encounters in a relationship, the love between them must be strong enough to survive the challenges. The book covers just about every facet of a relationship. There is something for every couple in this book and it would be a good idea for both couples to read it so they can be on the same page as far as the ideas shared in the book. Definitely 5 stars." – Dr. Nicoline Ambe

"A great tool to lead a healthy and successful marriage! The truths in this book can only come expressly from the Lord as the author has rightfully said. These truths are the foundation of a successful marriage, read up on it and apply it; couples will be thankful they did." – Temi L.
