Guadeloupe France: [Paillote Guadeloupe accommodation](#) and Lionel de Chausay are pleased to announce the launch of their first smart apartment Guadeloupe location. The facility is located in a secure old colonial house centrally located in Sainte-Anne and short five minutes from the beach and restaurant. The accommodations are suitable for business or pleasure holidays in Guadeloupe. The apartment is rated as one of the best accommodations in Guadeloupe. The Paillote is situated for the

finest stay in Guadeloupe.

The benefits of [holiday apartments in Guadeloupe](#) are very apparent to anyone looking for beach activities, good dining, entertainment and shopping. Sainte Anne is the major town for beach activities and the other items are located only a few minutes away from the apartment. There is no need to pay for expensive accommodations in Guadeloupe. The Paillote offers supreme accommodations on the island, with a location in a picturesque settlement of an old colonial structure.

At a distance of just five minutes from the lagoon, visitors can easily enjoy adventure, snorkeling and skydiving. There are trails for hiking and white water rafting opportunities. The nearby black sand beach is a welcome spot for sun bathers, as well as for swimming with the turtles in Malendure. The beautiful weather in the Guadeloupe destination is part of the attraction all year long.

Guadeloupe is famous for its location in the heart of the Caribbean arc. There are five island all attached to one another. The notable products include sugar cane, white sandy beaches and turquoise lagoons in Grande-Terre. Basse-Terre is elevated by the Soufriere volcano. It also has a tropical forest, waterfalls and old coffee farm houses. Saintes has a population of famous fishermen. Marie-Galante is more rural than the other isles. A huge colony of iguanas is part of primitive Desirade. Visitors can pick from activities on each of the locations so boredom is impossible.
