Goldrush Getaways, a business in Citrus Heights, CA, has announced that it has been made part the Viking River Cruises Platinum Circle. For the second time, Goldrush Getaways joins other top-tier travel agencies that exemplify excellence in sales and provide outstanding support to the Viking River Cruises product.

Goldrush Getaways was presented with a cut-crystal scale model of a traditional Viking Longship, created exclusively for Platinum Circle winners. The award is now on display at the company's corporate headquarters in Citrus Heights, California.

"We're very proud to receive this prestigious honor and acknowledge our cruise advisors' dedication to delivering great service," said Jeff Oestreich, Goldrush Getaways president. "Our members enjoy cruising and we're delighted to be able to provide them with Viking's variety of experiences and destinations."

He adds: "Goldrush Getaways is highly dedicated to improving our member/agent experience. Our partnership with such an industry leader as Viking Cruises solidifies our commitment to our agents and their clients."

Goldrush Getaways, a membership-based organization founded in 1996, assists independent agents with an in-house staff of professional agents and member-service personnel. Communication is facilitated with toll-free telephone access, email, interactive website, and on-line webinars. The company is authorized to offer Cruise Lines International Association (CLIA) training for its members/agents. Information for all training classes is published in a monthly calendar of events. Face-to-face training and travel booking assistance are also available through Goldrush Getaways offices located in Citrus Heights, CA (Sacramento area), Campbell, CA (Silicon Valley, San Jose, CA and Bay area), and Rancho Cucamonga, CA (Southern California).

One of the reasons why the company has received this award for the second time running is due to its tremendous popularity. As seen on their website at http://goldrushgetawaysreviews.com, they have received many positive reviews, all hailing the fantastic service they have received. People state that they did not only have the trip of a lifetime after having it organized through Goldrush Getaways, but they also pointed out that any issues they had were quickly resolved, that all their questions were answered in a clear to understand manner, and that there was no high pressure sales.
