March 14, 2017 - PRESSADVANTAGE -

Bell Roof Company offers all roofing needs under one roof. The company has been named as a Master Roofing Contractor by roofing manufacturers.

San Bernardino CA: Bell Roof Company ([bellroofcompany.com](http://bellroofcompany.com)) and Jerome Kentz are pleased to announce that they are recognized by many of the leading roofing manufacturers as a Master Roofing Contractor. The company is able to perform residential, commercial and public work. The service area includes San Bernardino, Riverside and Palm Springs. The professional roofing contractors also provide spray foam roofing services. The company is focused on helping customers to save money while protecting the property with quality roofing services.

According to the reviews posted on the website and on FB, customers are very happy with the quality of the services and products offered by Bell. The contractors install built-up, single-ply, shingle roofing, tile roofing, sprayed polyurethane foam roofing and fluid applied roof restoration systems. The roofing types are designed to fit the budget of the customer, as well as the style of the building and durability which is preferred.

Followers on Facebook and other social media links share their results in working with the firm. According to a spokesperson for the company, "We are proud of the fact that our staff has the commercial roofing experience required to provide our customers in the San Bernardino, California, area with a detailed analysis of all work required and associated costs. We have been chosen by roofing manufacturers as a Master Roofing Contractor, which allows us to install their No-Dollar Guarantee Systems."

The contractors work with the best-known manufacturers in order to provide customers with the best results, both in affordability and dependability of the products. The roofing crews are experienced in installing built-up roof systems, cold applied systems, single-ply, insulated systems, maintenance and restoration systems. The team takes pride in installing guaranteed systems from many top manufacturers. Some of the notable manufacturers include CertainTeed, GAF, Garland, Henry Company, Johns Manville, Tremco and others.
