Ray Higdon Announces Upcoming Network Marketing Prospecting and Recruiting Summit

March 20, 2017

March 20, 2017 -
Ray Higdon, based in Ft. Myers, FL, has announced the upcoming Prospecting and Recruiting Summit for network marketers. The event will take place between May 19th through the 21st, 2017 at the Sanibel Harbour Marriott Resort & Spa, 17620 Harbour Pointe Drive, Fort Myers, Florida. Various top Network Marketing Professionals will come together and share their insights on best practices for prospecting and recruiting.

Ray Higdon himself says, "If you've been in network marketing for any length of time you'll realize that prospecting and recruitment are the keys to success - no matter what company you're in. Without the skills to attract, intrigue and ultimately get people on your team, your whole business falls flat on its face. The next Prospecting & Recruitment Summit will show you exactly how to be successful."

People are encouraged to view Ray Higdon's Facebook page to learn more about who he is. In addition, he regularly shares information on his Facebook page about network marketing, which people can use to improve their own practices, or comment on to learn more. His goal is to help marketers receive more leads, recruit more reps, and essentially become top earners in their MLM business. He also links people to

additional training, which is available on his website.

Those who have worked with Higdon in the past have been full of praise about his methods and results. "I have had some of my biggest breakthroughs from attending events put on by the Higdon Group with Ray and Jessica," says Brian F. on the event's page. "One of my favorite parts is their training on Millionaire Mindset. This has transformed the way I do business. I would say any future Higdon event is a must-attend."

Those interested in the event are encouraged to register for the Prospecting and Recruiting Summit as soon as possible. During the summit, they will learn how to transform their income and their lifestyle and get more freedom, how to become a top earner, how to improve persuasion skills, and how to transform fear into excitement and, ultimately, power. The event is set to be very well-attended and people are encouraged to book their spot as soon as possible so as not to miss out.
