April 27, 2017 - PRESSADVANTAGE -

Sullivan's O'Neill's Chevrolet Buick in Avon, Connecticut, is an authorized dealer of both Tuscan trucks and Rocky Ridge trucks. The Connecticut Chevrolet dealer recently announced that both companies lift and customize trucks for the vehicle enthusiast who wants to command presence on the road.

Sean Sullivan, President and General Manager of the dealership, says, "We have a number of great trucks for those who really want to be noticed. These trucks from Tuscan and Rocky Ridge are the epitome of a powerhouse vehicle and we're sure to have one that will allow you to make your mark on the road."

The dealership offers a number of Chevrolet trucks for sale in CT in a wide range of styles, colors, functions and price points. Sullivan points out that those who are interested in a truck should stop in and visit the dealership to get an in-person view of their inventory.

"We of course have pictures of all of the vehicles we have available in our online inventory," states Sullivan. "The thing is, you don't really get the full impact of how one of these trucks looks or feels unless you see it in person. You also don't get the thrill of a test drive unless you visit us."

Sullivan states that they have a good number of lifted trucks for sale on their lot and urges those interested to visit them and take a look in person. Tuscany, owned by Wayne Davis Automotive, has been providing trucks to consumers for more than 30 years.

Tuscany trucks are military themed and with each purchase of a Tuscany truck, the company donates \$500 to the Lone Survivor Program, an organization that benefits veterans. Rocky Ridge is a family owned and operated business that has been providing specialized trucks and vans for more than 30 years. The company began building GM conversion vans and transformed into a company that specializes in building lifted trucks, vans, SUVs and cars. Their conversions are recognized as top quality in the industry.

Those interested in seeing the selection of Tuscany and Rocky Ridge trucks that Sullivan's has to offer can visit them in person in Avon or view their inventory online.
