

The Pixie Awards® Announces 2017 Competition Winners

December 12, 2017

Awards Program Honors Outstanding Work in Motion Graphics, Visual Effects and Animation

The Pixie Awards is proud to announce the 2017 winners of its Annual Competition. The Pixie Awards is unique in that it honors outstanding work in Motion Graphics, Visual Effects and Animation. Entries come from all over the United States and Canada, and are judged individually on their own merit, not against each other.

The awards program has become known for its recognition of work by animators, visual artists and designers, from established visual effects and animation studios to emerging talent.

Those interested can find more information about The Pixie Awards at www.pixieawards.com.
