

Villa Montessori Preschool In Columbus Ohio To Hold An Open House

June 04, 2018

Villa Montessori Preschool Of Columbus, Ohio, has announced that they will be holding an Open House event on June 6, 2018 from 5 to 7 pm. With this event, parents will be able to tour the school, meet the teachers, and get a better understanding of the unique curriculum of the preschool.

More information about the Open House can be found on the school's Facebook page at <https://www.facebook.com/events/165750004269848>.

Ms. Tamyé, School Director, says: "Join us for our Open House & Montessori Education Event and reserve your spot for the Summer and/or Fall. Tour the school, meet the teachers, and learn more about our unique and one-of-a-kind curriculum. The entire family is welcome. Families that enroll and start between now and September 1 will receive \$100 off per month for 12 months of full-time Primary or Toddler tuition."

Villa Montessori Preschool has more than 12 years of experience of integrating the Reggio and Montessori curricula. According to the school, these two curricula are the most inspiring and dynamic in the world where the classrooms allow the children to be exposed to experiences that will stay with them as they go through the school system.

Villa Montessori Preschool Columbus is centrally located at Gemini Pkwy, Columbus, Ohio, which

makes it easily reachable by families in Columbus and the surrounding areas, such as Polaris, Westerville, Worthington, Delaware, Dublin, Galena, Lewis Center, Hiliard, New Albany, Easton, Upper Arlington, Canal Winchester, and Gahanna.

The preschool is proud of its beautiful environments with comfortable spaces where the children can learn, grow and collaborate. In this environment, the students are encouraged to play and learn at the pace that is suitable for them. The Montessori classroom serves as the "third teacher" with the projects and materials within easy reach of the children so that they can explore and learn independently. This classroom is designed such that everything the children interact with will cause them to make new discoveries and develop their interests.
