

City Park Physical Therapy In New Orleans, Louisiana Hires New Therapist

July 17, 2015

City Park Physical Therapy of New Orleans, LA at cityparkpt.com are proud to announce that they have hired Dr. Charles Kirchem as their new physical therapist. Dr. Kirchem has found it easy to fit in and has been delivering fantastic services to the clinic's patients. The new addition to their staff will allow them to help more people needing physical therapy receive the treatment that they require.

Randy Rose from City Park Physical Therapy said, "After a lengthy search, we are so happy to have found Dr. Charles Kirchem. We have full confidence in his abilities as a physical therapist and he has already started seeing patients and delivering services. We welcome him to our team."

Dr. Kirchem received his Bachelor of Science in Kinesiology in 2005 from Louisiana State University. He then went on to achieve his Doctorate of Physical Therapy in 2009 from the University of South Alabama. His doctorate degree focuses on orthopedic and sports rehabilitation. He is also a certified Clinical Instructor through the American Physical Therapy Association (APTA), as well as an active member of the Louisiana Physical Therapy Association (LPTA). As such, he is fully qualified to take on the role of physical therapist and fits in as [City Park staff](#).

He joins president and co-owner Randy J. Rose, PT, president and co-owner; Cherie C. Rose, OT, vice-president, administrator and co-owner; office manager Julie Fradella; Lisa Millican, OT & certified pelvic floor specialist; Laine Woodruff, OT, hand therapist; Jennifer Scanio, PT, certified lymphedema specialist; and Brandie Doskey, PT, PhD. As a team, they have been serving communities across New Orleans for many years, and they hope to be able to continue to do so.

Their services are quite popular, as can be seen on the [City Park Facebook page](#). Amy Harmon says, "Amazing staff!! I am three months ahead of my estimated date of recovery because of the quality care I received. I highly recommend their services."

With Dr. Kirchem on their staff, City Park will be able to serve an even greater number of satisfied patients.
