

Meet Positives Uses PG Dating Pro Software To Deliver A Seamless Browsing Experience

April 17, 2019

Meet Positives, an online dating site designed for singles who have herpes and other sexually transmitted diseases (STDs), is pleased to announce that they now use the latest [PG Dating Pro](#) software to deliver a reliable and seamless browsing experience to their site and app users.

The PG Dating Pro software was developed by Pilot Group LLC to help people launch their own profitable dating websites in as fast as 24 hours. The company offers 100% ready-to-launch dating sites, app development, and dating pro enterprise at affordable and customizable package rates.

“Pilot Group LLC specializes in software and website development for specific niches like real estate, online dating, social network, and e-commerce. The company aims to help local businesses by creating attractive and functional websites that appeal to their target market. Pilot Group’s team of IT experts and digital marketers have the skills to hype-up your website, improve your business reputation, and find ways to attract potential clients with the help of social media,” says the company. They also state that they design their websites according to proven strategies: creating landing pages that sell, employing web analytics to increase the number of users and leads, and attracting organic traffic as well.

In addition, as noted on the [Pilot Group LLC website](#), the company also offers add-ons like monetization features and communication tools to enhance the overall functionality of a website. Pilot Group’s software is open-source, and owners have full control to connect any third party plugins and add-ons to their website. The company also builds and manages mobile apps for iOS, Android, and Windows devices.

They further make it a point to assist business owners in managing their websites to help increase their market share, improve customer services, boost sales, and automate jobs to reduce overhead costs. The company asserts that, “The Pilot Group delivers attractive and fully featured websites that meet strict requirements and high expectations. The team knows how to handle different kinds of projects, from a single website landing page to mobile applications and complex management systems.”

Aside from PG Dating Pro, the Pilot Group also offers a variety of professional business software solutions, including PG Auto Pro, PG Job Site Pro, PG Real Estate Solutions, and PG Social Biz. The company takes pride in its reliable and easy-to-reach customer service throughout the whole website development process. They are dedicated to delivering any project on time and providing technical support via live chat, email, by phone, or through Facebook and Twitter. Furthermore, the Pilot Group also helps their clients by doing audit checks to ensure a proper value proposition, analyze the quality of their web traffic, and separate their customers into segments.

Those planning to build their own business website may reach out to Pilot Group LLC. Depending on the scope of work, the company assigns specialists in marketing, web design, programming, content

management, and audit to help business owners to navigate and maintain their new website. Furthermore, the Pilot Group's excellent reputation is attested by many of their previous satisfied customers.

Robert Blanchard, said, "The team from Pilot Group is great to work with. I am now able to continue the development of my website because of the quick attention they give to my project. I highly appreciate their professionalism and the ease of communication with their team of tech support. Their software has no bugs, and all the add-ons I ordered for the system worked fantastically."

Another satisfied customer, said, "I am very happy to say that I have made very good money in the first week of using my new website. It looks very professional and has so many options for members. I had looked at many different scripts, templates, and websites, and I can easily say that my new website is definitely one of the best looking and well-performing in its niche. Everything is perfect, and I am so happy that my new website is driving significant sales to my business. I highly recommend the Pilot Group."
