November 20, 2019

Bramalea, ON - A new Real Estate Service is launching in Bramalea to make buying and selling easier for consumers.

Bramalea is a neighbourhood in the City of Brampton, Ontario, Canada. Bramalea was created as an innovative "new town", and developed as a separate community from the city. Located in the former Chinguacousy Township, it was Canada's first satellite community developed by one of the country's largest real estate developers, Bramalea Consolidated Developments (later Bramalea Limited), formerly known as Brampton Leasing.

Each phase of the new city was built with progressing first letters of street names. Development started with the "A" section, with street names like Argyle, Avondale, and Aloma. Then a "B" section was created, "C" section, and so forth. Eventually development reached the M-, N- and P-sections

south of Bovaird Drive. Most incorporated local schools, greenspace and pathways.
