

# Company Celebrates Success Of Their Mobile Detailing Services In The Phoenix Metro Area

November 26, 2019

Phoenix, Arizona based [D.I. Auto Care](#) is celebrating the success they have enjoyed following the opening of a new office, which now allows them to extend their mobile detailing services to the Phoenix Metro area. The local company now possesses four locations in total, each of which give clients access to their reputable services.

Paul, a representative of D.I. Auto Care, states, "We are very excited to continue reaching out to new communities and expanding the coverage of our services. We have been looking forward to opening this new office for a while, so finally opening this new office was a momentous occasion for us. We are proud to announce that the response we have received from the community has been remarkably positive; they have given us a warm welcome and entrusted us with their mobile detailing projects. Everyone in the Phoenix Metro area can now rely on us to fulfill all of their car detailing services with our customary expertise and excellence."

D.I. Auto Care has been serving the Phoenix community for several years, throughout which they have shown a remarkable commitment to making their services more accessible as well as improving upon their already high standards of quality. They believe that the best detailing providers should be able to offer friendly services, attention to detail, honesty, and value. These principles have long formed the foundation of their company, and they prioritize their client's needs and preferences above all.

Another essential part of D.I. Auto Care's service is the expertise that they possess, as they rely on a team of professionals who are fully insured and capable of fulfilling any detailing project. This allows them to provide a wide variety of services without compromising quality or placing their client's vehicle at risk of being damaged. Convenience is also held in high regard by the company, as they state that they strive to ensure that their clients have a smooth, hassle-free experience throughout the process.

D.I. Auto Care's services include window tinting, ceramic coating, headlight restoration, machine polishing, and cutting, engine detailing, rubbing and plastic rejuvenation, and restoration, interior conditioning and cleaning, upholstery and carpet disinfection and so on. All of these services can be requested at their new Phoenix Metro office. Learn more here: [Phoenix Mobile Detailing](#).

The remarkable commitment that D.I. Auto Care shows towards improving their services and making their clients their foremost priority is reflected in their online reviews. They are often complimented for the quality of their services and the attention they pay their customers, as they are commonly the preferred option for Phoenix residents when it comes to car detailing projects. They are among the best-rated car detailing providers in Phoenix, with a remarkable 4.8 Star rating on the Google platform (out of 5).

Through this space, Samuel Coles shared his experience with D.I. Auto Care, saying, "A friend referred D.I. Auto Care to me to get my New Porsche tinted and detailed. I ended up going with the ceramic window tint because of my skin problems. He was on time and professional, and my Cayenne looks amazing. They came out to my house in the Ahwatukee Desert Foothills, and it was really convenient for me."

Another of the company's reviews, written by Edward Brice, states, "I had Paul come out to replace my front windshield and I realized he also does window tinting. I had him put the strip along the top of my windshield and tint the whole car while he was here. Amazing service and excellent quality of work. I was referred by a friend of mine who has been using Paul for over 20 years; I would highly recommend him. A+."

The company's website includes more information on the services provided by D.I. Auto Care, including a thorough description of what they entail. The website also lists contact information that customers may use to request an estimate for their projects. Furthermore, interested parties can reach out to Paul to follow up any inquiries.
