

JT Towing Expands Roadside Assistance Service in Jacksonville FL To Enhance Customer Experience

December 05, 2019

After the overwhelming success of the re-launching of its emergency towing assistance, JT Towing sets to improve customer experience by expanding its round the clock roadside assistance service in Jacksonville, FL, and nearby areas. Stranded motorists within its service network will no longer worry about finding emergency assistance for unexpected mechanical failures and other car problems such as dead batteries, car lockouts, flat tires, pothole-related mechanical damage, electrical faults, and empty fuels.

The expansion scheme of JT Towing is geared towards its continuing dedication to excellence and commitment to the security of Jacksonville motorists. "With our quality customer service care and superior vehicle assistance, our passion is to provide you the satisfaction that will exceed your expectations", says Huey Robertson, spokesperson of JT Towing. "We will give customers and their stalled vehicles the utmost care and assistance," he added.

The towing company is leaving no stone unturned to intensify its presence in Jacksonville, FL. It has deployed new emergency towing rescuers in strategic locations in the region to build up its network of standby teams and speed up response time. Among the nearby communities that will benefit from this program included Beechwood, Mattox, Meadowbrook, Fiftone, Southridge, Beauclerc Gardens and Goodbys, to name a few. Their assistance teams can now provide the quickest response to reach stranded motorists, arriving in less than 30 minutes more than 50 percent of the time. The complete directory of their service areas can be accessed here:

Jacksonville is the largest city in the US in terms of land area hence, the service area of the tow company is indeed very broad. JT Towing now continues to be the dominant provider in the regional towing and roadside assistance industry, with its robust network and stronger presence.. "This move will help our company to compete with our rivals and better serve the driving public," says Robertson.

The company also launched a series of training seminars to update the technical knowledge and skills of their workers about new trends in automotive technology. They are creating high-quality teams whose skills and technical qualifications can ensure competence in the performance of their jobs and delivery of the company's service. "Our workers are more than expert workers. They are industry specialists. They can perform all kinds of towing, car lockout assistance, spare tire change, battery jumpstarts, and minor mechanical and engine repairs," says Robertson.

JT Towing mechanics can perform a temporary fix to a stalled vehicle to allow drivers to continue their travel home or to a nearby garage. This may include simple mechanical fails, battery drains and a flat tire. However, conked-out vehicles that are not safe to drive will be hauled to the nearest auto shop for intensive repairs and permanent fix. Robertson explains that the company is continuing to invest in

innovation to enhance its service; including cutting-edge equipment. For more information about the company services, please follow this link: <http://gmbp.in/u/5de954c6c2fd2>.

The customer hotline number (904) 204-3410 of the tow provider is open to the public 24/7/365. The company will be staffed by additional towing specialists, mechanics, and dispatchers. "Having access to emergency towing and roadside assistance is incredibly important to our community," explains Robertson. This key initiative of the organization is in response to the growing number of roadside problems and mishaps in Jacksonville, FL. "As the most trusted towing provider with the largest service network coverage in the region, we serve all neighboring areas in Jacksonville that require emergency help any time of the day or night," he added.

The emergency towing and roadside services of the company continue to be the most accessible and cheap option for all motorists in Jacksonville, Florida. "We couldn't be more excited to have our new tow rescue teams activated," states Robertson. "JT Towing's expertise and strong business ethic shall be our main arms in our commitment to serving the driving public in Jax".
