August 21, 2014 - PRESSADVANTAGE -

Riverside, CA -- Riverside Jeep Dealership in Riverside CA now offers the newest model of Wrangler, the 2014 Jeep Wrangler, along with several other models of Jeep. The 2014 Wrangler, which is the newest version on the market, is an off-road compact sports utility vehicle (SUV) with a 285 horsepower, 3.6 liter engine that earns up to 17 miles per gallon on city roads and 21 on the highway. It has earned a number of awards, including "Four Wheeler of the Year" (from Four Wheeler Magazine) and "Off-Road Utility Vehicle of Texas" (from the Texas Auto Writers Association).

All 2014 Wrangler versions offer soft interior lighting, tow hooks and skid plates, multistage airbags in the front of the vehicle, and a Command Trac four wheel drive system. Jeep also has many optional features to customize the Wrangler, including Automatic Temperature Controls, a rear-view mirror with auto-dimming LEDs ("map lights"), fog lamps, and safety features such as side airbags and an Antilock Brake System.

Several models of Jeep Wrangler are available at Riverside, including the Sport, the Sport S, the Sahara, the Rubicon, and Rubicon X. The Sport model features a UConnect Radio with SiriusXM Radio capabilities and a Garmin-brand navigation system. The Rubicon X model, a slightly upgraded version of the Rubicon, features black leather seats, six-speed manual transmission, black steel front and back bumpers suitable for driving off-road, and an Electronic Vehicle Information Center (EVIC) that contains extensive information about the vehicle and its functions. The EVIC's information includes a digital speedometer, pressure for each tire and for the oil gauge, and temperatures for transmission and coolant.

There are also a number of limited edition Jeep Wranglers available, including the Dragon, the Freedom, and the Wrangler Unlimited, which features a wide range of customizable options, including the Unlimited Altitude, with its redesigned exterior and taller seats compared to other Wrangler models. Depending on the model purchased, manufacturer's suggested retail prices on the Wrangler range from \$22,395 to \$31,195.
