

Beauty Supply Company Offers Organic Personal Care and Cosmetic Products

January 13, 2020

[House Of Beauty World](#), a beauty supply company based in Philadelphia, Pennsylvania, has announced that they are offering organic personal care and cosmetic products. They point out that market research has forecasted that the global size of this particular market will reach 11.1 billion dollars by 2025. This represents a compound annual growth rate of 5.4 percent from 2019 to 2025. It is believed that this is due to the growing awareness of the benefits of organic products over synthetic cosmetics.

Gary Roman, CEO of House Of Beauty World, says, “In view of the positive market forecast, we’re undertaking an aggressive thrust for our products. We provide a wide range of personal care and cosmetic products in various categories, such as hair products, skincare products, makeup, wigs, hair tools, fragrance, salon and barber supplies, hair styling tools, and nails.”
