

Chilterns Announces Corporate Catering BBQ Options Now Available

January 13, 2020

[Chilterns Catering](#) has announced that new BBQ options are available for corporate and company events. Chilterns specialises in providing world-class catering for corporate events in and around the Sydney area. For some time now, Chilterns has been providing first-class catering to offices and workplaces and has now added two exciting BBQ options as an alternative to more traditional corporate catering.

Chilterns has two main BBQ options. The first is “The Classic BBQ” and as might be expected, this includes all the favourites to be found at most BBQs. House made burgers, traditional BBQ sausages, potato salad, garden salad, with a mixture of buns, bread and condiments.

The second option is the “BBQ Lovers” which offers a greater variety of food. Angus beef sliders, chicken thighs, beef and oregano rissoles, marinated mushrooms, salads, and much, much more. A truly first-class selection for the discerning foodie.

Chilterns has adopted a green approach to its catering and bio-disposable plates, cutlery, and napkins are provided whichever option is chosen. Wherever possible, Chilterns uses the freshest, locally sourced products and its menus are updated accordingly to reflect seasonal availability.

A spokesperson for Chilterns said, “Our menus offer a wide variety of classic dishes and we only use tried and trusted recipes that use the very best of each season’s produce. We rely on our own stocks and sauces and all of our dishes will be full of flavor. It doesn’t matter whether it’s sandwiches, canapés, or our latest BBQ menus, we put the same amount of thought and care into each.”

Companies looking for [BBQ catering Sydney](#) who want a truly world-class meal at their corporate events should put Chilterns Catering at the very top of their lists. A BBQ such as the ones offered will undoubtedly impress invited clients and team members alike.

It is not just BBQs that Chilterns is known for, however. The company’s canapé selection is renowned throughout its service area for both its quality and its variety. Both meat and vegetarian options are catered for and both are available as hot or cold selections. Substantial canapé selections for a heartier approach are also available along with dessert canapés for those with a sweet tooth. In addition to menus of individual canapés, canapé packages are also available.

Another menu option is Chilterns high tea selection. Traditional scones with cream and strawberry and basil preserve, chocolate mousse, lemon curd meringue, salmon, and more, all served on limited edition Royal Doulton china. Chilterns grazing menus are both very well-known and very popular with companies in Sydney. Four different menus are available with each offering a thoughtful but different selection of food.

Cold, hot, and alcoholic beverage menus are also available to complement all food menus. Chilterns also has a full range of equipment available should it be required at an event.

As one of Chilterns' clients said in an online testimonial, "The Team did a great job on Saturday night. They worked to our requirements for timing and made it all look so effortless. Everybody loved the food, which was delicious and satisfying. The presentation was very well thought out and to the theme. The fact that for the most part, it was gluten-free was also an unexpected bonus which was important to a few of our guests. We would be very happy to recommend Chilterns to others looking to host an event. Thanks again for making the whole thing so easy!"

With a diverse range of packages available for breakfast, lunch, afternoon tea, canapé and outdoor events, Chilterns has been providing first-class catering services to office and workplace events for the last six years and is an "Accredited Gold Licence Caterer."

The Gold Licence is only awarded to caterers who have achieved the standards required by the Gold Licence Accreditation Board in food safety, professionalism, and work, within their business. It is a symbol of quality that companies wanting [corporate catering Sydney](#) can trust when hiring a caterer.

Further information about the current menus, including a gallery, and services offered by Chilterns along with an online contact form can be found on its website.
