

TheWoofBook.Com Launches The Woof Coin

January 13, 2020

Laguna Niguel, CA - Today, Charles Anthony, Senior VP of Development Services, announced the launch of The Woof Coin, adding cryptocurrency to TheWoofBook.Com platform.

Each time a Member of The Woof Book creates a post or uploads a video or photo, it entitles that Member to one Woof Coin. In addition, a Member making comments on another Member's post also earns the Member one Woof Coin.

Anthony explains, "With the addition of Woof Coins to The WoofBook platform, our members will be rewarded each time they post. Plus, we make it easy by automatically adding earned coins to their WoofBook Wallet."

Anthony explains, "Members will be able to redeem their Woof Coins at The WoofBook's sister site, The WoofBox, which features a variety of high quality dog products, including treats, supplements and even the option of ordering a fun monthly box for their canine companion."

Membership at The WoofBook, the premier social media platform just for dog owners, is completely free. Just go to TheWoofBook.com to register.
