Learning how to apply brushes on certain strokes is quite challenging. Malika Jafrin's professional standard makeup brushes include an instructional guide on where to use these specific brushes in the different parts of the face. Particularly on the video created by SugarPuffAndFluff on youtube, she described the brushes as fabulous for contouring. On the video, you will notice how functional each brush is and the result if applied correctly. A flawless complexion can indeed be achieved using these brushes. Check out the video on youtube.

This makeup brush set was conceptualized by a talented international Makeup Artist, Malika Jafrin, whose pride is shared to many enthusiasts with the same passion as hers. But because the brushes are professionally hand-crafted, even aspiring makeup artists can embrace the creativity of applying makeup at home. Prescilla Guterrez commented that it was the "Best flat top makeup brush I have used so far. The hairs are so soft and its very sturdy you can tell it's a high-quality makeup brush I definitely recommend this is a must have for all makeup artist or makeup gurus." The brushes are soft since it is made of from the highest quality synthetic hair possible. Plus, it reduces fibers from falling out and gives you a smoother makeup

application for a better experience overall.

The Malika Jafrin Kabuki Brush Set has the best unique shape brushes for the face. According to RAME, ?this is just what she needed, I've used this brush to apply my foundation, my finishing powder, and bronzer at this point and it worked awesome for all three. It applies my makeup flawlessly and smoothly on my face and neck. The bristles are soft but dense and are made of synthetic hair.?

Some of those who have sensitive skin are too afraid to try using brushes, Malika Jafrin?s Brush Set are guaranteed much more hygienic and durable, as well as 100 percent Vegan. Beauty Hunter revealed that, ?I have very sensitive skin so when I apply foundation with other brushes my skin gets very irritated and then I need to apply more product to cover some redness I don't have that problem with these brushes at all.?
