

ManageByStats Announces Their Video Channel For Amazon Sellers

March 30, 2020

Today ManageByStats announced their video channel for Amazon sellers. The [channel is on YouTube](#), and features content specifically for businesses and entrepreneurs selling on Amazon. There are a variety of videos on the channel, on topics ranging from Amazon PPC to finding products to sell on the online platform, and everything in between. New videos are added regularly, often several each week. MBS also interviews guests, and makes those videos available as well.

“We've been adding more videos, including helpful Tips videos, along with our new Welcome series,” says CEO of ManageByStats, Philip Jepsen. “We're adding value to the Amazon seller experience. People are hungry for the latest info on this dynamic platform, and we're providing it.”

ManageByStats is a suite of [software tools](#) for Amazon sellers. One of the most comprehensive suites available, it provides tools for the management of all aspects of an Amazon business. As part of their mission, MBS also creates and distributes free content covering a wide range of topics. Their video channel is home to much of this content.

“Check out the channel. Subscribe if you'd like to be notified, or bookmark it and check it weekly to see what's new,” says Mister Jepsen. “We have a great lineup of subjects we'll be covering, our entire purpose being to continue adding tons of valuable insight and help for you, the world's premier Amazon sellers.”

For more on ManageByStats, please visit the [ManageByStats](#) site or contact the company directly. If interested parties have further questions, ManageByStats may be contacted directly by email.
