TNG Services London to Showcase Fitted Wardrobes and Bespoke Furniture

September 23, 2015

September 23, 2015 -
TNG Services, a London based construction company, has showcased their most popular designs and services on their website. Customers can browse through their catalogue of modern walk-in wardrobes, fitted wardrobes, sliding wardrobes and sliding doors as well as bedroom furniture.

They have built a reputation as one of the experts in providing and installing fitted wardrobe with luxury finishes. Their modern fitted and sliding wardrobes are said to be one of a kind in the industry as they are offering designs in-line with the customer's personal taste and needs.

"We aim to provide our clients with individually tailored services to their particular needs. Whether you require a comprehensive home improvement service or small domestic service, TNG Services is committed to giving you the highest standard at competitive prices." says Tomas Nepko, CEO of TNG Services, when asked about the overall goal of their company. He also added that having a deep knowledge and many years of experience in this specialised sector have enabled them to provide the level of service expected.

Being one of the leading construction companies in London, they provide several services mainly fitted wardrobes, home improvement, electrical services, loft conversion and property maintenance. Services ranging from stone cleaning, full refurbishment projects and other domestic services are also being covered by them as well as conversions work, decorative plaster, mosaic and tiling and shopfitting services.

For more information and quotation requests especially about the TNG bestpoke furniture, you may call them at 0800 783 3383 or you can visit their website at http://tng-services.co.uk. Visitors are encouraged to frequently check their blog for tips and ideas on how to improve their houses to make them better places to live.
