Pedder Auto Group Announces Opening of Temecula Nissan

November 12, 2014

November 12, 2014 -
Temecula, CA ? David and Elisabeth Pedder announced today the opening of Temecula Nissan, formerly known as Quality Nissan. As a member of the Pedder Auto Group family, Temecula Nissan brings the Temecula Valley community years of experience with new and pre-owned vehicle sales and services.

David and Elisabeth Pedder are excited to introduce themselves to the Temecula commuity. The Pedders promise that those looking for a new vehicle will find a large range of models to choose from, including Nissan cars, SUVs, crossovers, minivans, sports cars and trucks. Customers can also find electric and hybrid vehicles for sale.

The latest offerings from Nissan are currently on the lot and ready for a test drive, including the 2015 Nissan Altima, 2015 Nissan Frontier, 2015 Nissan Rogue and the 2015 Nissan Versa. The dealership also provides certified, pre-owned vehicles from Nissan and other top manufacturers.

The new dealership is home to a state-of-the-art service center with a team of experienced representatives and auto technicians. They offer genuine Nissan parts and accessories and specialize in the service and repair of all makes and models of Nissan.

The service center is also equipped with the staff and parts to check and repair other makes and models of trucks and cars, including Infiniti models. A special Express Service is available for oil and filter changes, battery replacement, tire rotation and balancing, multi-point inspections and more.

To help meet the individual needs of each customer, the Temecula Nissan finance center is designed to be an auto loan and car lease resource. The dealership employs experts in car financing and helps customers of all credit types get approved for a car loan. Customers can also take advantage of pre-approval by filling out an application either online or before looking for a vehicle on the lot.

Several financing incentives, such as low interest car loans, Nissan incentives, rebates and lease specials

are always offered at the dealership. Specials on new and pre-owned vehicles as well as military discounts and reductions on services and parts are also available for those looking for a vehicle.

Located in the heart of Temecula, the new dealership is convenient to customers from both Riverside and San Diego counties.

About Temecula Nissan

As the premier Nissan Dealership in Temecula, CA, Temecula Nissan joins the Pedder Auto Group?s other two Nissan dealerships in Hemet and Riverside to provide customers with the finest Nissan vehicles and superior customer service possible. With this new addition to the Pedder Auto Group family, the Pedders and their staff look forward to serving the residents of Temecula Valley.
