

Photographers In OKC Receive Rave Reviews

December 29, 2015

Edmond, OK based photography business [Laske Images](#) is proud to announce that its photographers have received a wealth of rave reviews on prominent wedding websites. They are now featured on both Wedding Wire and The Knot, two of the country's, if not the world's, most respected wedding websites. The reviews are a testament to the commitment to quality and professionalism the company's photographers have.

Scott Laske, founder and owner of Laske Images, says: "For us, every wedding is like our own: the most special and magical day. We are so honored to be entrusted with taking photographs of those precious moments and we take our jobs very seriously. We like to build a personal relationship with each of our clients, so that we can really help them make their day all the more special."

The wedding photographers at Laske Images are some of the few in Oklahoma who are willing to travel. They have recently launched a new destination wedding service, which means they are happy to go where the bridal party goes. This service is already proving to be very popular.

In the featured reviews on both [Wedding Wire](#) and [The Knot](#), the company is hailed for its flexibility, professionalism and, above all, quality of service. Their photographs now take a place of pride in the homes of hundreds of married couples, many of whom now hire the photography service for other events, as well as recommend the business to their friends who are also getting married.

"My husband and I were lucky enough to find Scott, not only did he shoot our wedding, but he also did our engagement pictures and my bridal pictures," says Kerry K. "I am so happy with all of the pictures. The DVD of our wedding had over 1600 pictures on it. I still get compliments on how beautiful our pictures are. We took our engagement and bridal pictures in his backyard, which is absolutely beautiful all year. Scott and his team are such a pleasure to work with and made us feel so comfortable throughout our wedding process. If you can get him ... book him."
