

Property Insurance Lawyer From Arnesen Webb Takes On First Solo Case

December 21, 2015

December 21, 2015 - PRESSADVANTAGE -

Arnesen Webb, P.A., a law firm in Boca Raton, FL, has announced that their new property insurance lawyer, Jesse Long, has now taken on his first solo case, having worked as a support up to now. In September 2015, the law firm had welcomed Jesse Long as an associate attorney, and he had quickly found his place within the legal firm. Admitted to the Florida Bar Association just before he started working for Arnesen Webb, he is already making a mark in the field of law.

"Jesse is a real up and coming talent and we're so happy to have snapped him up," says Jay Arnesen, founder of Arnesen Webb, P.A. "It is rare for newly qualified attorneys to be able to find a job within days of passing the Bar exam, but Jesse really stood out for us since he did some work for us during his studies. He has taken just three months to feel ready to take on his first solo case, and we're impressed with his handling of it so far."

As can be seen at <http://insurancelawyers.org/>, Jesse Long deals with a wide variety of areas of law. These

include homeowners insurance disputes, automobile accidents, personal injury, bad faith insurance litigation, wrongful death, disability law and probate, wills, guardianships and guardian advocacy. Unsurprisingly, with such a wide variety of skills and knowledge, Long is proving himself to be a very busy man.

"I was so happy when I was offered a position with Arnesen Webb, P.A.," says Jesse Long. "I really enjoyed working there during my studies, learning the ropes of the trade as you will. They have given me an opportunity to develop myself and to think of which area of law I may end up fully specializing in. At the moment, I am happy to provide my services in a variety of legal areas and it is good to see that our clients are happy with the results."

Clients who are facing legal difficulties in terms of insurance or personal injury are encouraged to use the Contact Us form on the law firm's website. Their case will then be presented to the most appropriate lawyer on their books.
