April 15, 2015 - PRESSADVANTAGE -

Jagger Babuin, who has recently been officially recognized for his amazing contributions to health and fitness, has launched the entrepreneur-focused mastermind group, known as the Amazon Superstars. Those who would like to know more about the founder of this mastermind group can find Jagger Babuin on Facebook. Babuin is strongly focused on the health and fitness industry, both through his companies and bodybuilding competitions, this particular group targets budding internet entrepreneurs.

"I do so much in terms of providing optimal health to the masses", says Jagger Babuin on Facebook. "One of the reasons why my products are so successful is that I am also an internet marketing expert and I know how to make sure people find out about the products that I make."

Babuin has been working in internet marketing for five years. His goal is to make sure other people can become online entrepreneurs just like him and eventually even quit their day job. He has the passion and the drive necessary to make this a reality - as well as the good health - and he wants to share this with others.

"I am always open to networking with new people", says Jagger Babuin. "I want to try to provide value for them in any way that I can."

When one takes a look at Jagger Babuin's profile on LinkedIn, it quickly becomes clear that he is highly multifaceted and focuses on various areas of business. It also shows that he has been successful in many enterprises that he has taken on. He has been working in the health, fitness, and online marketing industry in various forms for many years now, which demonstrates that he knows what he is doing. Additionally, his recommendations also highlight and emphasize this.

The new Mastermind venture Amazon Superstars will start by showing people how they can become successful using Amazon to sell their products. Babuin has extensive Amazon selling experience and will be bringing a wealth of first-hand knowledge to his mastermind group. Amazon Superstars will focus on a tried and tested methods of success, helping people become recognized and highly sought after sellers on the

platform.

Babuin is located in Vancouver, Canada. However, this in no way means that his latest business venture is only interesting for those who are based in Vancouver. Rather, the information he will provide can be applied by companies and individuals located anywhere in the world. Amazon Superstars will help marketers become successful regardless of where they are based and which country they plan to sell products.
