Leven Rose, a natural health and beauty company in Colorado Springs, CO, is proud to announce the launch of their new product: 100% Organic Moroccan Rose Water. Rose Water, which comes from the very flowers found in a bouquet, provides skin and hair with a sweet and refreshing nourishing treatment. Rose Water is a great cleanser, as it removes the dirt from the face and regulates oil production, leaving skin clear and toned. Also, this flower water is a smoothing, silkening treatment for hair. Courtney Olson from Leven Rose says: "We are committed to creating products that benefit people's overall health and well being, without ever damaging the environment. Our Rose Water perhaps best demonstrates this commitment. All of our products are packaged in dark amber glass bottling and they are 100% organic and natural, which means we haven't added chemicals like alcohol, oil, glycerine, perfumes, or parabens. Instead, we have provided a vegan friendly, distilled concentrate that gives people an instant cool and fresh moisturizer."

Moroccan Rose Water is packed with Vitamins A, B, C, D and E, which regenerate dead skin cells, reduce

bacteria and naturally hydrate skin. This flower water can be used as a makeup remover, to brighten dark circles around the eyes, or to reduce inflammation after shaving. More information about the powerful benefits of Moroccan Rose Water can be found at http://www.levenrose.com/products/moroccan-rose-water-4-oz.

Rosewater stems from Morocco and has been found as a natural healer all over the Middle East, treating conditions like acne and rosacea. It has also been traced back to Cleopatra using this in her daily beauty routine. This product can be used as a skin toner, mixed with natural lotions to smooth skin, or in a spray bottle, misted over the skin to reduce redness.

Leven Rose is a rapidly growing, environmentally conscious, natural beauty company that offers a large amount of all natural, organic, alcohol, paraben, and 100% cruelty free oils. See more about what they offer and Leven Rose at https://www.instagram.com/levenrosebeauty/.
